

PARALLEL SOURCING

PARALLEL SOURCING (R & D) PVT. LTD. established in the year 2016, We are The Only “Start Up” Approved By DIPP, Govt. Of India in the Country to offer R&D Services to Industry For “Parallel Sourcing of Single Source Items” under Make in India Policy .

Parallel Sourcing (R & D) Pvt. Ltd. Is a Catalyst Startup to provide “END TO END SOLUTIONS” for “SINGLE SOURCE PRODUCTS AND SERVICES”.

We ensure economy to industries in the field of:

Imported spares

Indigenous Spares Procured on Single Offer Basis

Spares for Obsolete Equipment In Operation

Do we need to **Import** these spares ?

Can't we make these items in **INDIA** ?

Some of Typical Group of Products customer buys on Single Source

1. Rubber & Gasket
2. 'O' Ring
3. Metallic Gasket
4. Industrial Filter
5. Bearing & Bushes
6. Pumps Spares
7. Industrial Fans & Impellers
8. Pressure Vessel Components
9. Heat Exchanger Spares
10. Spares For Hydraulic Equipments
11. Compressor Spares
12. Coal Mill Spares
13. Spares For Process Industries

Reasons for IMPORT

- Customer's focus is on product making and spare development is not their area of priority.
- Most of the customers order for spares according to Vendor's catalogue numbers thus compelling the customer to depend upon them.
- Non-availability of Detail Specification / Drawing Documents.
- Insufficient in-house infrastructure for spares development.

THE STEPS WE FOLLOW

- 1** Collect Bill of Materials from Customers for items procured on single source basis in last 3 years.
- 2** Categorize items under A, B, C & D
A - 3 months lead time
B - 6 months lead time
C - 12 months lead time
D - Insurance spares
- 3** Estimation based on the Basic datas and design
- 4** Submission of Budgetary Offer
- 5** Registration of formal orders.
- 6** Detailed Design Engineering
- 7** Product Realization
- 8** Customer Gets End Product at a much Lower Cost
